# 華語課程選課流程

## Mandarin Chinese courses selection procedure

A step-by-step guideline

語言中心 華語教學組 製作

Made by Division of Chinese Teaching, Language Center

一、112學年度第2學期華語課程，請自行上網選課，全校預選到113年1月7日（日）23：59止

二、加退選作業採上網登記制度，系統將資料彙整儲存，惟當日24:00點至隔日早上06:59系統停止選課，經電腦隨機篩選額滿為止，隔日7點後公布於個人課表內，並非先選先上。

因此，同學在規定時間內完成選課登記作業，均有同等機會選上欲修習之科目，並請同學隨時上網留意確認修課資訊，以維護自身權益。

※如課程狀態一直顯示為「登記中」，請至學生篇→未中籤課程查詢原因。

三、若未於預選時間選課，請於112學年度第2學期依選課須知公告時間辦理加退選。

四、請注意碩士生、博士生華語課程不計入學分。

五、**不得重複選已修習及格之科目。**

1. For the spring semester of the 112<sup>th</sup> academic year, please sign up your Mandarin Chinese courses online. The add and drop period for all courses will be open at 09:00 on Jan 1<sup>st</sup> and closed at 23:59 on Jan 7<sup>th</sup> (Sunday).

2. Please see the attached document for how to sign up for Mandarin Chinese courses.

3. The course registration will be conducted through online registration. Please note that the system will be inaccessible between 12 pm to 6:59 am. The system will randomly allocate available slots until they are filled. Please check your personal course schedule for latest updates after 7:00 am the following day. Course selection is not based on a first-come, first-served basis.

Therefore, students who complete the course registration within the designated time will have an equal opportunity for all courses they sign up. Please check the website regularly to confirm your course information and for your own rights and interests.

※ If the course status remains "Registration in progress登記中", please go to the "Courses Not Assigned" section in the "Student Section" to check the reason.

4. If you fail to sign up courses during the pre-selection period, please wait till the add/drop period for the spring semester of the 112<sup>th</sup> academic year.

5. Please note that Mandarin Chinese courses' credits are not counted for master and PhD students.

6. You are not allowed to retake subjects that you have already taken and passed.
